SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

Situation Overview

- **California State of Emergency Proclamation**

On 03/04/20, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Global Health Advisory**

On 08/06/20, in close coordination with the U.S. Centers for Disease Control and Prevention (CDC), the Department of State lifted the Global Level 4 Health Advisory. The Global Advisory, initially put in place on 03/19/20, advised U.S. citizens to avoid all international travel due to the global impact of COVID-19. For more information visit: <https://www.state.gov/>.

- **State Executive Order N-33-20**

On 08/28/20, California introduced a blueprint for reducing COVID-19 in the state with revised criteria for loosening and tightening restrictions on activities by counties. Visit [Blueprint for a Safer Economy](#) for more information and to check the status of a county. This blueprint included a health equity metric to be used along with other metrics to determine a county's tier. The purpose of [Equity Metric](#) is to ensure California reopens its economy safely by reducing disease transmission in all communities.

Confirmed Global COVID-19 Cases – Per Worldometers COVID-19 Live Updates as of 01/20/21 at 1100 hours:

- 96,985,078 (+692,747) total confirmed cases in 219 countries and territories.
- 2,074,655 (+17,945) total deaths.

Confirmed United States COVID-19 Case – Per Centers for Disease Control and Prevention (CDC) as of 01/20/21 at 1000 hours:

- 24,135,690 (+153,106) total confirmed cases. (An increase covering a span of three days.)
- 400,306 (+2,297) total deaths. (An increase covering a span of three days.)

Confirmed California COVID-19 Cases - Per Medical Health Coordination Center as of 01/20/21 at 1100 hours:

- 3,019,371 (+22,403) total confirmed cases.

- Please see attached California Health & Human Services (CHHS) Agency / Cal OES Joint Situation Report for additional details.

SITUATION SUMMARY

Cal OES INLAND REGION

- Nothing significant to report.

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

- Nothing significant to report.

CDPH Statewide Travel Advisory

The California Department of Public Health (CDPH) has issued a new Travel Advisory superseding the November 13, 2020 guidance. Californians should avoid non-essential travel to any part of California more than 120 miles from one's place of residence, or to other states or countries. Non-essential travelers from other states or countries are strongly discouraged from entering California, and if they do, should adhere to quarantine procedures. All persons arriving in or returning to California from other states or countries should self-quarantine for 10 days after arrival, except as necessary to meet urgent critical healthcare staffing needs or engage in emergency response.

PUBLIC SAFETY POWER SHUTOFF (PSPS) SUMMARY

PSPS Status

Active Weather Warnings, Watches and Advisories by County:

<http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

WEATHER KEY POINTS

01/21/21 - 01/27/21

Thursday-Saturday

- After a quiet day Thursday, a weak storm system is expected to move through California Thursday night through Saturday, bringing generally light rain and mountain snow to much of the state, with minor travel impacts possible

Sunday-Wednesday

- The series of storm systems will continue through at least the middle of next week, with a trend toward stronger and wetter storm systems
 - Locally heavy rainfall and heavy mountain snow will be possible with these early-to-mid week storm systems, especially on Tuesday and Wednesday
 - Periods of gusty winds can also be expected with these storms, especially on Monday and Wednesday
